- o Matplotlib
- o SQL Server
- o MySQL
- o SQLite
- o Azure
- o Git
- o Excel
- o Jupyter Notebooks
- o Data Manipulation
- o Visualization
- o Tableau
- o PowerBI
- o ETL Practices

EXPERIENCE

FREELANCE DATA ANALYST • JANUARY 2020 – PRESENT
Worked on expanding my data analysis and programming skillset through self-teaching and special projects at non-profits such as the Beltline Partnership. Collaborated with other technologists on small projects where I could assist.

CLIENT SERVICES • VCA PETS ARE PEOPLE TOO • NOVEMBER 2018 – DECEMBER 2019
First point of contact for pet owners, vendors, and external medical facilities. Fielded a high volume of inbound and outbound calls.

EDUCATION

BS PSYCHOLOGY • 2018 • PORTLAND STATE UNIVERSITY
Worked with research data and statistical models over the course of my studies.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Assisted Beltline and other organizations as a special projects volunteer.
